

Our Topic is 'People Who Help Us'

During this half term we will be learning:

<p>Maths We will learn to count to 20 using concrete objects. We will use counters. We will also count forwards and backwards using a number line. We will learn how add 2 numbers together, using a number line, then we will learn to takeaway using a number line too. We will explore numerical patterns, for example doubling and halving. We will continue to explore both 2D and 3D shape. We will learn to measure volume and capacity.</p>	<p>Phonics We will continue to recap Phase 2 phonics letters and sounds as a starter during each Phonics lesson. We will be continue to learn Phase 3 Phonics letters and sounds, with a particular focus upon the vowel sounds. We will learn to segment and blend words, for example g oa t, and sh ee p. Every child will have a Phonics book to read at school and at home. They also have a Bug Club Login.</p>	<p>Literacy We will be reading the stories Gigantasaurus, Supertato and The Gruffalo. We will learn new vocabulary and retell these stories. Using our Phonics knowledge, we will write in full sentences using capital letters, finger spaces and full stops. We will then read our work to check our spelling and our letter formation.</p>
<p>Foundations of Science We will learn about food and healthy eating, We will explore what makes a healthy diet and explore how we can exercise to stay healthy and strong. We will design a healthy meal and discuss our favourite foods too.</p>		<p>Foundations of History We will be learning about our living history, We will explore memories we have and recount these to our friends. Please send a photo of a special memory your child has via Seesaw and we will share these with our class.</p>

<p>Foundations of Physical Education</p> <p>We will be learning key skills in preparation for our Sport's Day in the Summer Term. We will learn to throw and catch, balance an 'egg' on a spoon, run, skip and complete a simple obstacle course.</p>	<p>Our Topic this half term is People Who Help Us. We are excited to learn about different people who work in roles to help us in our community. We are also very excited to have a visit from a local Doctor and local firefighters in a fire engine.</p>	<p>Foundations of Art</p> <p>We will be learning to weave a range of mediums. We will use a weaving pallet and weave different pieces of material and felt in and out of the pallet. Then, we will use our create skills to create a piece of artwork using our weaving skills.</p>
