Focus on this fortnight:

This fortnight we have enjoyed some mental health themed assemblies and workshops across school. We learnt all about how to keep our bodies and minds healthy and how this is often linked. When our bodies are well-rested, hydrated and nourished then our minds are more likely to feel calm and happy. We had a fantastic time learning all about different breathing and calming techniques. #MentalHealth

Reading Ambassador's recommended read of the fortnight:

Hallie from India Class, recommends 'We're All Wonders' (written by R.J.Palacio)

"This book is all about people who are different or stand out and making sure we treat everyone the same, no matter how they look or appear. It makes you feel warm inside when you read it"

Ask Hallie if you have any questions about 'We're All Wonders'.

Mrs Peake's Kindness Award:

This fortnight, my Kindness Award goes to **Felicity Brown (Y6)**.

Felicity's kindness was brought to my attention by two parents who let me know that they had witnessed Felicity looking after some of the younger children at break time and were blown away by the caring attitude she displayed.

Thank you for your kindness, Felicity!

Our Reading Ambassadors wanted to thank everyone for the kind contributions of books we have received in school recently. Keep your eyes peeled for more info! #WeLoveReading
