

The Swallownest Sunshine

Spring 2 Week 6
March 28th 2025

A note from Mrs Peake:

What a splendid half term we have had—jam-packed full of learning opportunities! I have been so proud of everyone for all the hard work the children have put in and everything we have managed to achieve together. I would also like to thank you all so much for the wonderful support you have shown school over the past few weeks—particularly with World Book Day, Red Nose Day and our most recent bake sale.

#TeamSwallownest

Focus on this fortnight:

As we arrive at the end of the term, we have been enjoying lots of rewards. Yellow team collected the most blue tokens this term and so they enjoyed some outdoor games with Mr Rocket. Additionally, some members of our Eco-Council made a huge batch of chocolate crispie buns for all the children who have managed to stay on the gold door all term. #Delicious

Reading Ambassador's recommended read of the fortnight:

Marley from Canada Class, recommends 'Once Upon a Legend' (written by Ben Miller)

"I have really enjoyed reading this book because it is magical and reminds me a lot of 'The BFG' by Roald Dahl. A group of trolls try to take over London! I would recommend it for anyone in KS2.

Ask Marley if you have any questions about 'Once Upon a Legend'.

Mrs Peake's Kindness Award:

This fortnight, my Kindness Award goes to **Finley (Y2)**.

Finley is such a helpful young person. Recently, I have noticed Finley pushing in chairs, tidying up after his friends and generally helping to keep his classroom a Gold Standard place to learn. Well done, Finley!

Attendance figures for the fortnight:

Whole school target = 96.6%

England 1—93.5%

England 2—96.5%

China—95.5%

Kenya—97.5%

India—96.8%

New Zealand—95.2%

Canada—98%

A word from our Eco-Council:

This week we have been busy writing to our local MP, Jake Richards. Stanley wrote a letter to him, originally, and we all composing a response to his reply. We invited him for a tour of our school and asked if he would like to deliver an assembly about how he would protect our local environment. Stay tuned for further news!
